Master of Advanced Studies in Leadership and International Sports Law

THE BENEFITS OF THIS GRADUATE DEGREE

Effective leadership is crucial for success in both public and private sectors, including sports clubs and institutions. These entities require leaders who possess extensive knowledge of leadership principles and sports legal issues, enabling them to guide their organizations towards achieving their goals and objectives. In this context, students in the MAS program will gain up-to-date knowledge in leadership and international sports law. This program also focuses on personal development, helping students recognize their strengths, attitudes, and behaviors, and understand their impact as leaders. Graduates of this program will be equipped to become exceptional leaders, driving their organizations or sports clubs towards enhanced effectiveness and success.

Impossible is nothing, Leadership is learnable

You can become an outstanding Leader
